LGA Mix & Mingle

Whether you're considering joining the Ladies Golf Association or you're already a member, we invite you to our upcoming Mix & Mingle event on Wednesday, January 22, from 3-5 PM!

Come meet the LGA board and fellow members as we kick off the 2025 season. It's the perfect opportunity to ask questions, get help with registration, and learn more about what's in store for the year ahead.

Already a member? Then come on by, get out of the house, and enjoy a drink with your LGA friends—it's a great way to reconnect and have some fun!
